

Introduction:

- Our theme and vision for this year is taken from 1 Thessalonians 1.
- We have been focusing on being lights as Christ taught us that we should be.
- We have a responsibility to spread the word of Christ.
- Is that all that we are to spread to those around us? Or is there more?

I. Men _____ Their _____.

- A. _____ - John 1:6-8
- B. _____ - John 1:35-45
- C. Do you think they were excited and others could see their faith?

II. Men _____ Their _____.

- A. _____ - John 1:46-51
- B. _____ - John 18:15-27
- C. It's not always a lack of knowledge or disbelief but more of a lack of faith.

III. Who Do We _____ It With?

- A. Share it with _____!
 - 1) God Sees our _____.
 - 2) We share it through _____.
 - 3) We share it through _____.
- B. Share it with _____!
 - 1) If they don't see our faith with the knowledge, the intent of scripture will remain trivial.
 - 2) When they see that we own our faith they will be more receptive to buying into God's plan.
- C. Share it with _____!
 - 1) Galatians 6:1-10
 - 2) There are those in our family that need us to share our faith with them.
 - 3) Just being a member here and attending is not enough.

Conclusion:

- Though we must have our own faith it is not ours to keep to ourselves.
- Are we sharing our knowledge of the truth with others?
- Are we sharing our faith with others?
- Are we, like Peter, convicted in heart but too afraid to let others know?
